## Book Overview:

*Wrecked is the new standalone novel of deliciously dark, deeply emotional contemporary romance from J.B. Salsbury, the New York Times bestselling author of Split and The Fighting Series.*

*When you can't trust yourself, how can you ask anyone else to?*

*It's been months since Aden Colt left the Army, and still the memories haunt him. When he moved into a boat off the California coast, he thought he'd found the perfect place to escape life.*

*Then Sawyer shows up, and turns his simple life upside down.*

*Beautiful and sophisticated, she seems out of place in this laidback beach town. Something is pushing her to experience everything she canâ€™t including Aden. But as much as he wants her, starting a relationship with Sawyer puts them both at risk.*

*For Aden, the past doesnâ€™t stay there; it shows up unexpectedly, uncontrollably, and doesnâ€™t care whose life it wrecks.*

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
